

156. The Dee Valley Way

Distance **14 miles/22.5km**

Ascent **871 metres**

Start **Corwen, LL21 0AU**

Finish **Llangollen Station, LL20 8SN**

This route follows a section of the well waymarked Dee Valley Way.

Join the Dee Valley Way and cross the bridge to the northern side of the river. Turn R onto the B5437, following it until you can take a L fork on a path past Rhagatt Hall to the B5436. Turn R and follow this around to the L, then turn L onto a smaller road through Carrog. Turn L onto the B5437 again then next L onto a smaller road. Bear L onto a path ascending through forest then R to a road at SJ 140441 (4.7 miles/7.5km). Turn R onto this and follow it to Hendre-uchaf. Turn L and follow the track to a road, turning L on the road and L at the next junction. The road climbs and then descends to a junction at SJ 152443. Turn R here and follow the track downhill, across the river. Bear L below Wern-ddu and take this track north around the hill, over the col and down past Cymmo to the road near Dee Farm. Turn L on the road to Rhewl then L again onto a bridleway past Llandynan and Llantysilio Farm to reach the river. Turn L, following the river and then the canal to the station in Llangollen.

Miles	Km	Directions
0.0	0.0	Follow the Dee Valley Way and cross the bridge to the northern side of the river. Turn right onto the B5437, following it until you can take a L fork on a path.
1.1	1.7	Bear left following the footpath past Rhagatt Hall to the B5436.
1.9	3.1	Turn right and follow this around to the left, then turn L onto a smaller road through Carrog. Turn left onto the B5437 again then next left onto a smaller road.
3	4.8	Follow the road then bear left onto a footpath ascending through forest then right to a road at SJ 140441.
