

33 Pewsey White Horse

Distance **9.5 miles/15km**

Ascent **248 metres**

Start/finish **Pewsey Library, SN9 5EQ**

From the start (or the station) turn R onto North Street then L onto High Street. Turn R onto Ball Road and fork L onto Southcott Road. Turn R onto a footpath through woodland then L to Green Drove Farm. Turn R here then L onto Green Drove which leads to the Pewsey white horse. Climb the steep path beside the horse and trend L, on a footpath below Pewsey Hill and along Fyfield Down to a path junction at SU 188588 (3.7 miles/5.9km). Turn R going north-east then drop down the hill and run north across fields to the road at Priory Cottage (4.6 miles/7.4km). Turn L onto the road into Milton Lilbourne. Take the footpath R after the church and fork L, cross two roads and rejoin the road at New Mill. Turn R and cross the railway then bear L onto the canal path to Pains Bridge (8.1 miles/13km). Turn L and follow the path to Knowle then R onto a footpath parallel to the railway. Turn L onto North Street **and return to the start.**

Miles	km	Directions
0.0	0.0	From the start (or the station) turn right onto North Street then left onto High Street. Turn right onto Ball Road and fork left onto Southcott Road. Turn R onto a footpath through woodland then L to Green Drove Farm.
1.1	1.8	Turn R here then L onto Green Drove which leads to the Pewsey white horse.
2	3.2	Climb the steep path beside the horse and trend left, on a footpath below Pewsey Hill and along Fyfield Down to a path junction at SU188588.
3.7	5.9	Turn right going north-east then drop down the hill and run north across fields to the road at Priory Cottage.
4.6	7.4	Turn left onto the road into Milton Lilbourne and take the footpath right after the church.
5.1	8.2	Follow this taking the left fork after a short distance and follow the path north-east across the B3087 to a road and path junction on Deane Water at SU193614.
5.7	9.2	Cross the road and follow the bridleway north-west along Deane Water past Totteridge Farm and through a small wood to the road at New Mill.
6.5	10.4	Turn right onto the road crossing the railway and then left onto the canal path along the southern bank. Follow the canal south-west to Pains Bridge.
8.1	13	Turn left onto the bridleway heading south towards Pewsey and follow it into Knowle. Turn right following the path before you reach the railway and follow the railway south-west to the road at Pewsey Station. Turn left onto the road and follow it back to the start.
