

53. Wimbledon Common

Distance **8 miles/12.5km**

Ascent **113 metres**

Start/finish **Wimbledon Station, SW19 7NL**

From Wimbledon Station follow the path next to the railway then turn R to cross Worple Road into Malcolm Road. At its end take the path joining you to Sunnyside, turn R onto Ridgeway then L on Lingfield Road to the eastern corner of Wimbledon Common (0.9 mile/1.4km). Enter the common and follow the path west to the R of Rushmere and across Cannizaro Road to the road junction. Turn L on Camp Road and follow it to the end (1.7 miles/2.7km). Follow the path in the same direction across Caesar's Camp and slightly south to a path junction and footbridge over the Beverley Brook. Don't cross the bridge, turn R and follow the path north to another footbridge in the north-west corner (you can turn L here and join the run up with Richmond Park). Turn R and follow the path between Wimbledon Common and Putney Vale Cemetery to Kings Mere. Turn R and follow the path south near the eastern edge of the common to intersect with the outbound path. Turn L and return the same way to the start.

Miles	Km	Directions
0.0	0.0	From Wimbledon Station follow the path next to the railway then turn right to cross Worple Road into Malcolm Road. At its end take the path joining you to Sunnyside, turn right onto Ridgeway then left on Lingfield Road to the eastern corner of Wimbledon Common.
0.9	1.4	Enter the common and follow the path west to the right of Rushmere and across Cannizaro Road (B281) to the road junction. Turn left on Camp Road and follow it to the end.
1.7	2.7	Follow the path in the same direction across Caesar's Camp and slightly south to a path junction and footbridge over the Beverley Brook.
2.2	3.6	Turn right before the bridge and follow the path north to another footbridge in the north-west corner.
3.2	5.1	Turn R and follow the path between Wimbledon Common and Putney Vale Cemetery to the south-eastern point of Kings Mere.
4.7	7.5	Follow the path slightly further in the same direction then turn right heading east across this tip of the common to a right just before a small mere by the A219.
4.9	7.9	Turn right and follow the trail south and slightly west trending away from the road across Putney Heath to a path junction with the bridleway, turn right onto this and follow it to the windmill.
5.7	9.1	Turn left and follow the stream south bearing left onto the cycle path heading for the road junction near the edge of the common passed on the outbound route.
6.5	10.4	Turn left here and retrace the outbound route back to the start.
